

UNITED STATES OF AMERICA,
Plaintiff,
v.
MAURICE ANDERSON,
Defendant.

ORDER

No objections have been timely filed to the report and recommendation of United States Magistrate Judge Joshua P. Kolar concerning defendant Maurice Anderson's plea of guilty. Without objection, then, I adopt Judge Kolar's findings that defendant understands the matters enumerated in Fed. R. Crim. P. 11(b)(1), that defendant is competent to enter a plea of guilty, that defendant voluntarily wishes to plead guilty to the charge against him, and that there exists a factual basis for the plea.

ACCORDINGLY: Judge Kolar's Findings and Recommendation [DE 23] are ACCEPTED AND ADOPTED; Defendant Maurice Anderson's plea of guilty to Count 2 of the Indictment, a charge of knowingly and intentionally distributing a mixture and substance containing a detectable amount of heroin in violation of 21 U.S.C. § 841(a)(1), is ACCEPTED, and he is adjudged guilty of that offense.

SO ORDERED on November 6, 2019.
